

ExamSoft only supports Windows and Mac devices that meet our Minimum System Requirements including:

---

- Genuine versions of Windows 10 with English (United States) Language Pack installed or genuine versions of Mac OS X 10.13 (High Sierra), OS X 10.14 (Mojave), or Mac OS 10.15 (Catalina)
- Hard drive: 2GB or higher available space (5GB recommended)
- RAM: 8GB or higher recommended; 4GB required
- Webcam (No virtual cameras or phones as cameras allowed)
- Microphone (No headphones or virtual microphones allowed)
- Internet connection for download, registration, ExamID verification, exam download and upload
- Internet: 2Mbps upload speed
- Screen resolution should be 1024 × 768 or higher
- Administrator level account permissions required for installation and registration

For the bar exam, ExamSoft does NOT support any of the following:

---

- Desktop computers
- Chromebooks
- Android devices
- Cell phones
- iPads
- Tablets
- Multiple screens
- VGA splitters

In addition to these technical requirements, a **well-lit room** that allows your face to be fully illuminated and clear in the camera view is essential for a smooth exam experience and will minimize flagged instances of academic dishonesty.

Examplify cannot be used in virtual machines or environments that require persistent network. This includes, but is not limited to VMWare, Parallels, Citrix workspace, virtual disks, streamed images, or similar services.
