

Exam Day Guide for Exam-Takers

Do 	Don't 
 Make sure your device meets the Minimum System Requirements	 Leave the view of the camera  Use unauthorized materials
 Download the Exemplify application and test your device's camera and microphone	 Move in an unusual or excessive way  Use external devices
 Reserve a quiet, well-lit space with a comfortable chair	 Look away from the screen  Have other people in the room
 Close all applications and web browsers and turn off your phone	 Wear hats or headphones  Speak or have any background noise
 Follow instructions provided	
 Position your camera so your face is centered in the frame	

For any questions or concerns, contact your test provider before the day of your exam.
